*To what extent were the Progressives successful?*

Directions: after having researched in-depth about one Progressive movement, and after having learned about three more, evaluate: to what extent were the Progressives successful? Were they able to achieve their goals and have lasting impact on US policy? Your response should include a thesis statement and at least one strong body paragraph that supports your thesis statement. Your thesis statement can include a counterclaim! (Although …, the Progressives were majorly successful, because … and ….) Your body paragraph should have at least two pieces of explained evidence that support your answer to the prompt.
