Getting To Know You!

Here's a little about me first. I grew up in Austin, Texas and graduated from the University of Texas at Austin with a double major in history and education and triple minor in government, European studies, and German. I have played soccer since I was six, which has resulted in five knee surgeries. I drink a lot of coffee. Chocolate and tacos are my favorite foods. I love to travel, and have been lucky enough to see 27 different countries on five different continents. I speak a little bit of German and am trying to learn Spanish. I have a cat named Winnie, and she's the best. Your turn! The more we get to know each other, the better this class will be. I want to be able to incorporate what you like into my lessons! So, try to respond with more than one word for each of the questions ©

- Where were you born? Have you lived in any other cities/states?
- Are you involved in any extracurricular activities at Creek or outside of Creek?
- What do you enjoy doing in your free time?
- What are you most excited for AND most scared about being at Creek this year?
- What do you think your hardest class will be this year? Your easiest class?
- What part of world history are you most excited to learn about?
- What part of world history are you *least* excited to learn about?
- Tell me at least one other piece of information about you (fun facts, favorite TV show, anything that I need to know to help you succeed [do you have a 504/IEP, do you wear glasses, do you have trouble hearing, etc])? Use the back of this page if needed.
